What [User](#) likes about Goodman Pondy:

the best dbhaba in this village area. not cheap, but good food and service. they can also pay with international bank cards. I love cappuccino here, only 75 rs. it only seems to be a place in this village where u can have a cap of real cappuccino. [read more](#).

What [Medha A S](#) doesn't like about Goodman Pondy:

In the morning, you can enjoy a rich brunch at Goodman Pondy, as much as you want, Besides, the successful blend of different meals with new and partially adventurous ingredients is appreciated by the visitors - a good case of Asian Fusion. Also, *international dishes* are a part of the cuisine of the Goodman Pondy, Many guests are particularly impressed by the versatile, flavorful Chinese cuisine.
