In the Nakamura from Kyoto, using a lot of fresh vegetables, fish and meat, **healthy, tasty Japanese dishes** are prepared, among the specialties of this establishment are especially the Sashimi and Inside-Out. Surely, it's also a nice experience to feel like in the Wild West once, to drink and enjoy like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice spicy burger, Likewise, the guests of the restaurant prefer the large variety of differing *coffee and tea specialities* that the establishment provides.
