What [Jane Izzudin](#) likes about Morganfield's:

had a great night to try out in morganfield's signatures. for me these were my favorites: rib rub rib (must eat with the spicy soy sauce), the bacon wrapped meat balls and this red wine cocktail. the only one was the aircond. it was quite warm to enjoy so amazing food. Finding a good place serving ribs is really hard in kk, so when Morganfields came in I was rather excited. Ribs are dry and the lack of sauce is definitely is disappointment. Definitely not worth the price paid. For now I'd rather head to zinox for ribs for a fraction of the price here. The appetizers was nothing to shout about. Again a very pricey place for mediocre food. [read more](#). Morganfield's from Kota Kinabalu is a good place for a bar to drink after work and be able to sit with friends or alone, You'll find nice **South American** meals also on the menu. Also, they provide you tasty [seafood](#) meals, for breakfast they serve a *extensive breakfast* here.
