It's a good place to stop after the morning river floating market, the seafood its really fresh , the home made curry are specials but it's missing the spicy chilly kick from the food ... i think maybe as too many tourists going to there and they don't eat much spicy food ... that's why I guess....but overall price ok and good service read more. In nice weather you can even have something in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What User doesn't like about:

Not honest, the food was charged not according to the menu. About 500 worth of food being charged 850. When confronted, they say the price on the menu is the old menu. When we order from the menu we point at the price and they agreed. Food itself is average. Fried Omelette is oily, noodle (pah thai, spelling is wrong) is nice. Fried rice also not bad. read more. from Samut Songkhram uses for its tasty dishes the Thai culinary popular spices and (fish-)sauces, along comes fresh vegetables, seafood and meat, and you can look forward to the fine typical seafood cuisine.
