Moonlite Kitchen And from Denpasar is a good place for a bar to a cocktail after work and be able to hang out with friends,

Especially flavorful **juices** are very popular among the guests. It goes without saying that a suitable drink completes a meal; therefore this gastropub serves a generous selection of scrumptious and local alcoholic options, be it beer or wine, In addition, the charming desserts of the restaurant shine not only in the eyes of the little guests.
