What **User** likes about Monto:

You have really delicious food. So many good options to get from well decorated place with family separation options as well. Besides everything, the staff was so courteous to make the experience unforgettable. [read more.](#)

What **User** doesn't like about Monto:

Went based on a recommendation from a friend! The only Japanese thing was the chopsticks! Apart from that there was nothing Japanese about the place. The food was below average, the service was OK! I honestly didn't enjoy the dinner and I didn't get the irasshaimase vibes! Other might like it. But if you are a Japanese food lover! Then this is not the place for you. [read more.](#) With fresh ingredients like fish, vegetables and meat, Monto from Ras al-Khaimah prepares for you scrumptious sushi (e.g., Nigiri and Inside-Out) and many additional variations, there are also tasty vegetarian recipes in the menu. Not to be left out is the extensive selection of coffee and tea specialties in this locale.
