Superb food. Meat platter was super delicious with excellent flavor and richness of spices. Prawns are quite big and definitely delicious, grilled and also full of flavor and well seasoned. Rice with mutton was huge, the portion size is enough to make to people full. Rahul is very helpful and friendly. All the dishes we've tried were his best advice. [read more](#). What [vael h](#) doesn't like about Al Nokhada:

I tried the arabic food they offered in the menu, the kabab is made in somehow but certainly not grilled on charcoal nor anything tasted as it should be. The prices are not cheap, you dont know how to make arabic food so better you stick with the indian food menu, I did not try it though.. [read more](#).
