What [User](#) likes about Kiani:

Very recommended! The food is very delicious. Their secondary dishes are amazing, especially the Korean pancake (not sure what it is called), but it is the best Korean pancake I have ever tried. The Korean guy is very friendly and helpful to recommend us a good menu, not sure he is the manager or owner, but really appreciated his manners. [read more](#). A visit to Kiani becomes even more rewarding due to the extensive diversity of [coffee and tea specialties](#), and you can look forward to the fine typical [seafood](#) cuisine.
