Want to experience an authentic samgyupsal? This is the perfect place. They serve their meats in big portions and they taste amazing. Their side dishes and soup were really good. You can also order melona for dessert.

Highly recommended. Service: Dine in [read more](#). What [Regina del Rosario](#) doesn't like about Hong Samgyupsal Unlimited Korean Grill:

1 st. Not worth the price. The side dishes are missing. They only offer grated cheese and he didn't melt it! You need to pay 150 extra for the drink. 499 for very basic meat (take note: pork and beef. Not even pure beef for this price). Not worth it! 2nd. It's so hot! The place is soooooo huge but empty given that we went at lunch time. Only one AC works. There is a fan but it is opposite the empty tables. Exhaust are not working! 3rd. Service was ok. As expected we will be taken care of immediately because we are the only people. I don't recommend this place sorry. The large range of coffee and tea specialties makes a visit to Hong Samgyupsal Unlimited Korean Grill even more worthwhile, Additionally, lovers of Korean cuisine will be well catered for at the eatery with dishes like Bap, Kimchi or Jjigae. In addition, you can order fresh prepared meat.
