What [User](#) likes about Angaraa:

: Location awesome on main road : Ambiance very very good it is a roof top restaurant 6th floor : food ok ok type taste but hygienic : space proper space available [read more](#). What [User](#) doesn't like about Angaraa:

They are not professional. If you order started which took more than 30 min to come and if you order main course it takes 1hr and this is seriously not professional. If I talk about taste after waiting more than 1hr it was really bad. If you are looking for taste and if you time is important then frankly speaking don't go this place, it's better to go cafe if this restaurant is last option. [read more](#). The extensive diversity of **coffee and tea specialties** makes a visit to Angaraa even more worthwhile.
