The 241 deal on Monday is totally worth the try. We ordered the Nashville Chicken Burger and Leroy's Burger.

The burgers didn't come with fries, which we had to add for \$6 extra. It's fair tho bc we got free soft drinks in exchange. The seat isn't comfortable but I guess it's the key idea in their concept, which encourage diners to eat fast then go. [read more](#). What [Jamilla S](#) doesn't like about Leroy's:

3 of my friends held a joint birthday here and the venue couldn't have been more disappointing. After setting a huge bar tab to meet, we thought it wouldn't be a problem for a group of forty 28-35 year olds. However, the bar staff were rude, they cut people off at 8pm, they only allowed one drink per person, and shouted at the group for being 'loud' at 9pm on a Saturday night. We were then forced to pay the difference in the bar tab that we would never have been able to meet in the first place. One staff member literally told someone to 'f off' at the end of the night when they said good night to them. **DO NOT BOOK AN EVENT HERE.** For those who want to **a cocktail after work** and sit with friends or alone, Leroy's from Churton Park Village New Zealand is a good bar, and you can indulge in delicious American menus like [Burger or Barbecue](#). Most often, the burgers of this establishment, which are among the highlights, are offered along with sides like french fries, leaf and cabbage salads or wedges, There are also delicious **South American** meals on the menu.
