What User likes about Yim Thai:

My favourite Thai restaurant in Gloucester and district. I have never been disappointed both with the quality of the food offered nor with the service. You can enjoy this experience with an intimate couple of friends or with a whole-of-restaurant group. I particularly like having the main course accompanied with a serving of coconut rice, which for me, heightens the flavours of the other dishes. [read more](#). With delicious menus, Yim Thai from Terminus Street delights, enriched with the famous spices and (fish-)sauces of the Thai cuisine and a bunch of fresh vegetables, seafood and meat, The creative fusion of different meals with fresh and partially daring products is highly valued by the customers - a nice example of Asian Fusion. You can also look forward to *scrumptious vegetarian cuisine*, on the menu there are also a lot of **Asian dishes**.
