A comprehensive [menu](#) of Tutti Frutti from Mount Lawley covering all 16 dishes and drinks can be found here on the card. Tutti Frutti offers a unique experience with a variety of frozen yogurt flavors and delicious toppings to choose from. While some have raved about the value of the two for one deal and the rotating range of flavors, others have expressed disappointment with the service they received from the staff. The concept of paying by weight allows customers to customize their treat, although some have warned about the pricing if you go overboard with your cup. Overall, Tutti Frutti seems to be a popular spot for a sweet treat, but the inconsistent customer service may leave a sour taste in some patrons' mouths.
