\*Rating is a 3.5\*Elixir feels like it's been around forever and has always done a decent coffee. The cafe itself is not particularly appealing to sit and enjoy breakfast (I find it quite cold/industrial in its feel, menu is fairly limited too). Staff are polite, I enjoy some good take away coffee with organic fruit toast when you're on the run. You can use the WLAN of the place free of charge, Depending on the weather conditions, you can also sit outside and have something. In the morning, a opulent brunch is offered at Elixir Coffee in Nedlands that you can sample as much as you like, Furthermore, the drinks menu in this restaurant is impressive and offers a good and comprehensive selection of beers from the area and from worldwide, which are definitely worth a try. At the bar, you can also relax after the meal (or during it) with an alcoholic or non-alcoholic drink, For a snack in between, the yummy **sandwiches**, small salads, and other snacks are suitable.
