Finally a fish and chip shop with FANTASTIC quality, everything tastes home made right down to the batter. This is also one of the first fish and chip shops which actually have chips that taste like potatoes other than grease (which is hard to find here in Australia). Curry sauce has a great taste to just like back home which people can't do out of Australia so I was pleasantly surprised, and I've also found my love... [read more](#). The rooms on site are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and be served. What [Adella Walter](#) doesn't like about *The Chippy*:

Order the family some chips for dinner and not only were they cold they were burnt and tasted disgusting!! Never will I order from there again... second pic is what they advertise and what I expected.... first pic is what we actually got!! Unacceptable [read more](#).
