Nowhere cafe in Toowong is a charming hidden gem that offers a delightful dining experience. The cafe serves up delicious brekkie wraps and excellent coffees that have won the hearts of its customers. While the avocado on toast was a miss for some due to overripe avocados, the cafe's atmosphere and fantastic kids play area make it a great spot for families. The menu offers a nice variety of options, including specials that cater to different dietary restrictions. The outdoor seating area is quaint and perfect for a low-key coffee date. Overall, Nowhere cafe is a must-visit for those looking for a cozy and friendly cafe experience with great food and service.
