New bar in Mentone. Great local beer selection on tap and an amazing beer garden. A very well rounded wine list and a great seasonal food and cocktail list. A must see for locals or anyone seeking a great bar. [read more](#).

What [User](#) doesn't like about Lydford & Co.:

Lydford & Co. from Mentone is a good place for a bar to [have a beer after work](#) and be able to sit with friends or alone, and it's made with lots of freshly harvested vegetables, fish and meat, **easily digestible Japanese meals** cooked. The experience of various sports events is just as much a big draw, when you are in this **sports bar**, In addition, the cocktail menu that is offered in this established eatery is impressive. It offers a diverse diversity of beers from the region and the whole world.
