Came here with a group of friends. Great little cafe restaurant in mount Lawley. Their burgers and fries are the bomb dot com, very American. However, I was a little dissapointed with their milkshakes. If you like THICK American milkshake, they dont got it. Another thing missing in this place is wifi, but other than that the food, the atmosphere and price are all prime [read more](#). What [User](#) doesn't like about BB, A Pop Up:

Visited on a Sunday lunch, found the food to be nothing special - average burger at best. But the food would have been ok if there was any ambience - but there was none at all. Funky looking but didn't deliver. [read more](#). During a meal, a good drink is essential. In this *gastropub*, you not only get delicious meals from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, The visitors of the restaurant are also thrilled with the large variety of differing coffee and tea specialities that the restaurant offers. Most often, the burgers of this establishment, which are among the highlights, are offered along with sides like french fries, salads or wedges, You can also unwind at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
