we were on the way to thrissur and we are not able to eat a restaurant, but this place has saved the day. it will look bad for people who enter first, but it is really a joy to go here. eating is really good! and my family enjoyed it very much. I will recommend this restaurant to all tourists because it is the right place. [read more](#). What [User](#)

doesn't like about Oottupura Family:

This is an ok restaurant, nothing great nor special. Food is average. Lot more required in improving the quality. The birayani is blunt and the chicken inside was too spicy. The meals was ok kind nothing special. The one good thing is that they have ample parking space and good number of seating. Staff is cortieous and helpful. Need to improve in the quality of food served. [read more](#).
