we came over the recently opened teehouse and went for a visit that was not disappointed. the personal was super friendly and welcoming, the opposite is beautiful and the vegan cake was delicious! additionally we had an ice cold latte with milk that was on the point. the sitting area outside is amazing and they feel like they are on holiday. [read more](#). When the weather is good you can also have something outside. The eatery offers a little bit of this and a little bit of that with its appreciated **Tapas**, Furthermore, the customers love the creative combination of different dishes with new and partially experimental products - a nice example of successful **Asian Fusion**.

Moreover, you can treat yourself to fresh breads and snacks, Here you'll find sweet pastries and cake, small snacks and chilled refreshments and hot drinks.
