great to try the 99 option, but the flakes was not nice. the ice itself was beautiful and great to have a lot of nuts. beautiful cornete too. the heel ice cream dripping much less than the minchellas milk version, so it is also good for non-Veaners! Please note that the vegan menu is not available in nearby caffe in the park. the vegan menu is available at the caffe amphitheater directly on the beach. [read more](#).
