there is a whole section dedicated to vegan fragile options. I have the tofu ramble that was amazing! so a relief as I fought to find many vegan options for dinner in lakes entrance [read more](#). In nice weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Salty Groms:

on the plus side there was something vegan to eat. on the bottom the portion size was quite shameful for the price, especially if they call a dish the vegan big breakfast. 5 tiny pieces of mushroom, a hash brown? (see photo). the largest part of it was brot, although the beet-root hummus spread was quite delish. updated by previous review on 2022-01-02 [read more](#). Salty Groms from [LAKES ENTRANCE](#) is a cozy café, where you can have a small snack or cake with a *hot coffee* or a *hot chocolate*, And of course, you should also try the scrumptious burgers, with sides such as fries, salads, or wedges provided. You can also look forward to scrumptious [vegetarian](#) cuisine, here they serve a diverse brunch for breakfast.
