only 3 types of burgers available when I am there. I tested the mahola burger and my other half had the classic. burgers were ok, but was somehow disappointed that the pommies were oily and cold. [read more](#). What [User](#) doesn't like about The Goodburger Bukit Timah:

It is hard to miss this Van of The Goodburger, outside the Coronation Plaza. For such an obvious [fast food](#) place, however, prices are steep and you can't even sit right. The service can be slow and the standard burger comes with regular cheese, for which there is no vegan alternative. If you are not too picky and can save money, it is decent food. [read more](#). Look forward to inventive combinations of different products at The Goodburger Bukit Timah in Central Singapore - following the concept of a *magnificent fusion cuisine*, The atmosphere also makes the eating of typical Western dishes and drinks an beautiful experience. Here they also grill [South American](#) fresh seafood, meat, as well as beans and rice, there are also delicious [vegetarian](#) meals in the menu.
