I can see why this place is so popular with the locals. great food and service, sitting outdoors and great coffee. for vegans and vegetarians, the items are noted on the menu and they have some interesting choices, such as a spiced pumpkin in sourdough. I had the baked maple granola with mandelmilch, a passion fruit mous, pfofen pfofen avocado. it was amazing. highly recommended if they are up here. [read more](#). When the weather conditions is nice you can also have something outside. It's certainly always an event to be in a typical saloon and to eat; to feel like a cowboy for once with a beer and also the *finger food like crispy fries, onion rings or a hearty burger*, for breakfast they serve a varied breakfast here. The versatile, savory Chinese cuisine has many followers among visitors, Furthermore, you can get sweet treats, cake, simple snacks and chilled refreshments and hot beverages here.
