3 different meat dishes on our table and all were disappointing. Nothing roasted tasted/looked roasted. The chicken legs were the smallest I've ever seen. The chicken was clearly cooked with old fishy tasting oil, but the veggie sides were great. Service was good and it's a nice looking place. Andrea's Eatery from [New Delhi](#) is a good place for a bar to have a beer after work and be able to hang out with friends, The customers of the establishment also appreciate the extensive variety of various *coffee and tea specialities* that the restaurant has to offer. There's also crisply crunchy [pizza](#), baked fresh using traditional methods.
