beautiful restaurant right on the beach. friendly staff. the menu is enormous. they have vegan/veggie options. they can also ask with any meal whether they can replace the meat/fish with tofu. tom kha with vegetables (cococoss soup) and flowers spring rolls were the best for me big Wifi ass. [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and eat and drink. What [User](#) doesn't like about Removed: Nikita's: not really sure why this place is listed on the happy cow, as there are no vegan dishes listed on their menu. when talking to the personal, they can replace most dishes with tofu, fish sauce etc., but they do not advertise this on the menu. the location is nice on the beach, but it is expensive compared to other Thai food sites unfortunately. the eating was ok, although the Papaya salad was quite bland after she had... The Removed: Nikita's in Phuket serves various [tasty seafood menus](#), Furthermore, the guests love the inventive combination of different meals with new and partially experimental products - a nice example of successful Asian Fusion. Surely, it's also a nice event to feel like in the Wild West once, to drink and eat like the cowboys or even the bandits with a beverage or two paired with onion rings and a nice juicy burger, At the bar, you can relax with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
