had an amazing chicken bryani at indique on the other day. second time back last time I had the meal deal for 2 which was also excellent except for the naan. the naan was crispy and crispy in contrast to kissenig and soft I think they were down in the toaster in opposition to tandoor ofen therefore the 4 star rating in opposite to a 5 star rating. except the naan, the rest of the food was great. 2 stars felt a bit harsh as the beef madras was alright. Naan bread was soggy and the chicken korma tasted like Heinz tomato soup. Just another Aussie attempt at an Indian sadly. Mind blown at "best on the coast" comments. Less than average. At Indique Indian Kitchen in [PEREGIAN BEACH](#), typical Indian spices delectable meals with sides like *rice or naan* are freshly prepared.
