what a jewel to find this authentic Vietnamese cuisine in strasbourg! it was presented to me through its authenticity by a well-reisted friend, but the delicious vegan [vegetarian](#) options brought me back for a second visit with my wife. All of us were delighted with our menu choices and have been happy and satisfied with the delicious offered and modest trips. [read more](#). What [GuntherBerthold](#) doesn't like about Mai Saigon:

First time I have to write this, but just don 't go here. The options vegetalien (vegan) are with egg, there are two options that are accidentally vegan (from the whole vegan/[vegetarian](#) page), no further understanding by the staff. Save yourself the hassle and just book somewhere else. Updated from previous review on 2023-05-19 [read more](#). In Strasbourg, traditional meals are prepared in the kitchen of Mai Saigon with original Asian spices scrumptious, In addition, many guests look forward to enjoying [traditional Vietnamese menus](#) with the perfect hint of Southeast Asian flavor during a visit at the Mai Saigon. You can also look forward to *delicious [vegetarian cuisine](#)*, Besides, the successful blend of different meals with new and partially adventurous ingredients is appreciated by the guests - a good case of Asian Fusion.
