On this website, you can find the complete [menu](#) of Gourmet [Seafood](#) from Mount Hawthorn. Currently, there are **18** menus and drinks available. For *changing offers*, please contact the restaurant owner directly. You can also contact them through their website. What [Dortha Fahey](#) likes about Gourmet [Seafood](#): Best fish and chips in perth. A must!!! Lovely thin batter with excellent quality fish. Chips are lovely and fluffy. The snapper and chips are the way to go!!! [read more](#). In pleasant weather you can even be served in the outdoor area. What [ملهم الأسمري](#) doesn't like about Gourmet [Seafood](#):

*Rating is a came for lunch and ordered fish and chips (good), and the fried calamari (very fresh). Also ordered a salmon poke bowl for one no price was listed and was very shocked when I was charged for a small take away container of over cooked brown rice, endamame beans, seaweed and a few slices of salmon sashimi completely and utterly overpriced (and very tasteless, no sauce or dressing is provided hardly ate any of it). Some of their other menu items are very pricey, [seafood](#) on the whole seems very fresh though the Poke bowl incident left a bad taste in my mouth so I don't think I would return here in a hurry. A visit to Gourmet [Seafood](#) is particularly valuable due to the comprehensive range of **coffee and tea specialties**, and you can look forward to the tasty typical [seafood](#) cuisine.
