[Barton Stroman](#) likes about Boubar:

This place is bloody lovely. Lovely service, lovely coffee, lovely servings and lovely cafe. Came here for early breakfast before work. Food came out prompt. Coffees hot and delicious. Absolutely fuss free just ordering sides.

Can't complain [read more](#). When the weather is pleasant you can also eat outside. What [Rachelle Erdman](#) doesn't like about Boubar:

Nice place for catch ups or doing your own work. Bircher muesli isn't usually my first choice as I always make it at home and this one was a bit disappointing..overly sweet and no figs as stated on the menu. Needed more fresh fruits. Bit pricey for what you get imo. [dumplinglove.wordpress.com read more](#). In the morning, a **tasty brunch** is offered at Boubar in Nedlands that you can sample according to your mood, there are also *delectable vegetarian meals* in the menu. Not to be overlooked is also the extensive selection of coffee and tea specialties in this locale, In addition, the **charming desserts** of the local shine not only on children's plates or in the eyes of the little guests.
