Then a visit to this sports bar is just right: in addition to small snacks and menus you can watch the latest football matches, tennis or Formula 1, Besides, of course, the atmosphere plays a central role, so the customers not only appreciate the tasty meals, but also **the bistro** itself love. You can still relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**, the place offers however also meals typical for Europe.
