What User likes about Fishalicious:

This is a bit more than your basic fish and chips. They do great salads and a wide range of seafood to go with them. You can even buy fresh seafood to cook at home and they are now doing home delivery. We call in often for a nice lunch. [read more](#).

What User doesn't like about Fishalicious:

Good place to get the variety of food including various burgers, salads, seafoods and so forth. Seafood and salads are good, but I believe they are not great in making burgers especially the beef burger, it does not smell delicious. The food is however so...More [read more](#). Various tasty seafood meals are dished out by the Fishalicious from Alexandria, And of course, you should also try the fine burgers, with sides such as fries, salads, or wedges provided. Also worth mentioning at this restaurant are the courses from the Australian continent, here they serve a *appetizing brunch* in the morning.
