[User](#) likes about Vari:

We had the buffet lunch (Rs. 500 per person) at the restaurant and it was simple, vegetarian, non spicy food that was great for us. Service is good and there is ample place for large groups as well. The building is very contemporary and interesting and architects/architecture enthusiasts should visit for a meal at least, which was our motive as well! [read more](#). In beautiful weather you can even eat in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physical disabilities. What [User](#) doesn't like about Vari:

The venue is really very nice. The service is very good, going out of their way to arrange food on your plate and so on. They provided a free plate of beets, and some bread (probably in response to our not ordering any). The food itself was only ok, though. The spinach and corn dish, well, those ingredients didn't really go together.

Nothing wrong with the food, it just didn't impress me. [read more](#). If you feel like **a treat**, you should visit Vari because they have *delicious desserts* that will surely satisfy the sweet-tooth in you, There are also some international dishes to choose from in the menu. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, With traditional Indian spices, menus are tasty and freshly prepared.
