I visited ladurée in beverly hills recently (oktober 2021) and found that, although it is not a completely vegan restaurant, it still offers many options that were very clearly marked on the menu and in the display cases. it was exciting to have plant-based croissants, pain au chocolat, millefeuille, macarons and eier benedict. the waiter was knowledgeable and patient with us. I wanted to visit this place as the vega... [read more](#). In nice weather you can even have something in the outdoor area. What [User](#) doesn't like about Laduree:

We finally went to this place and found out it's no longer vegan. We were confused and asking the woman to clarify what was vegan and she literally walked away after I started ordering without a word and told the guy working to help us. I wasn't at all rude, just confused. I think the guy was new and he didn't know what a cortado is so rather than finding out he asked if we wanted a latte. We didn't. It was strange.... In this **gastropub**, you not only get delicious meals from the menu but also a comprehensive and particularly good variety of **good beers and other alcoholic beverages** that go well with the food, It's possible to chill out at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. Apart from simple snacks, sweet pieces and cakes, there are also **cold and hot drinks**, look forward to the typical fine French cuisine.
