Came today for lunch with my boyfriend. We had a savoury muffin, scone with jam and cream, he had the teriyaki beef salad and I had the vegan curry puff. All delicious. The service and all the staff were great. They're all so friendly. I recommend the Lavender and Chamomile tea! Will definitely be back. [read more](#). What User

doesn't like about The Island Cafe:

Extremely irritating sitting inside the cafe. Besides the noise of the coffee machine and general clatter of dishes, the radio was blaring and we had to keep asking them to turn it down as we (group of 5) couldn't hear our conversation.
