What [User](#) likes about Peppercorn: I had the 400g Australian grass filled with fillet steak with garlic butter, potato gratin and fresh salad. The steak was quite perfect, perfect crust, perfect salt and pepper, maby a little bit under (I ordered medium made), super juicy and excellent taste. Absolutely the best steak on the island and the best steak I had in Thailand, maby everywhere. Would give 6/5 if it were possible. Bonus point for friend kko. [read more](#). Peppercorn from Ko Pha-Ngan is a good option for a bar if you want to have **a beer after work** and sit with friends or alone, The atmosphere also makes the consumption of typical Western dishes and drinks an unforgettable experience.
