Rumba Gelato offers a delightful array of flavors and consistently praised gelato, garnering compliments on its taste and appealing presentation. While many customers appreciate the reasonable prices and attentive service, some express dissatisfaction with diminished portion sizes since the change in ownership. A notable concern is the lack of taste testing, which patrons find disappointing, especially for young children. Although the atmosphere generally receives positive feedback, unpleasant odors and inconsistent policies around samples have affected the overall experience. Despite these issues, many declare their intent to return for more of the delicious gelato offerings.
