Great pizza and second to none service! I am absolutely delighted with how they cared for my Mother Marina who is in isolation because of covid and didn't have any cash on her to pay for her pizza on delivery. She isn't the most tech savvy person but that was no problem! I really appreciate the care and trust that was shown! Great to see that looking after the community is a priority for this small business! read more. What p doesn't like about Victoria's Pizza Beyond:

Was just about to order dinner tonight as this is our usual pizza place. Have been a long time customer for 2 years. Delivery fee used to be $5 then $6 but just went to order and it's now $10! PLUS you charge an additional credit card surcharge on your app from what I can see is 5%. read more.
