What [Talha Masood K](#) likes about Cafe Eclair:

Nice atmosphere. Decent food. Very nice coffee. They have limited POS machines, and they send it with their riders for their deliveries, which makes it inconvenient for the dining customers. [read more](#). What [Fahad A](#)

doesn't like about Cafe Eclair:

The ambience is quite cozy, service is really good but i was not satisfied with my order. I ordered Chocolate milkshake but got a watery drink with little to no taste at all. 3/10 for shake but can't say the same about cake and other menu items. And all the items are highly overpriced. You can get the same from any other place with half of what they are charging. [read more](#). A visit to Cafe Eclair is particularly valuable due to the large variety of **coffee and tea specialties**, Naturally, you can't miss out on the fine burgers, which are accompanied by sides like fries, salads, or wedges provided. We offer not only sweet pieces, cakes and small snacks, but also cold and hot drinks.
