We might have **the menu of George** from Kolad in the photos. A list of the dishes and drinks can be found further down. Are you currently at George or planning a visit? Help us by **uploading a photo of the menu here**.

What [User](#) likes about George:

Mahesh is an amazing restaurant for sea food and their service is too good. The fish food is not only fired but barbecued so well and service with tasty pudina chutney. Non-veg and sea food lovers must try this restaurant once atleast!! [read more](#).
