'The World 's Best Pies '. And yes they are pretty good! From a long list of pies, we chose the traditional Australian. This is a mincemeat pie with mixed herbs wrapped in the famous pastry. The pastry is world class. Arguably the best there is. The base seamlessly wraps around to also form the pie lid like a completely sealed unit. You wonder how the meat ever got inside. Savoury mincemeat with onion and flavoured with mixed herbs. It is a whopper and you really need a fork at the end to scoop up the overflow of mince. Pies cost $6.90 which is pretty reasonable for the area. See this and many more pie shop reviews at our Sling Adventures website.
