The ambiance is drenched in blue lights, with good seating arrangements catering even for birthday parties. The service is quick and efficient, with self-service for salads and soups while pizzas and garlic bread are served. The variety of salads is the highlight of the food options, with winners like garlic bread and brownies. However, the pizzas were a letdown for many customers. Despite this, the restaurant remains worth visiting for its value for money, with positive comments on cleanliness, lighting, and quality of the salads. Some customers were impressed by the service and food quality, including delicious garlic bread and pizzas. The buffet option provided an opportunity to enjoy a wide range of food items, making it a good choice for pizza lovers.
