॥ ॥॥॥॥॥ ॥ Nashik ॥ Eastern Spice ॥ ॥॥॥॥॥ ॥॥॥॥॥ ॥॥॥॥॥ ॥॥॥॥॥ ॥॥ ॥॥॥॥॥ ॥॥ ॥॥॥॥॥॥. Bon Vivant Eastern Spice offers a mixed bag of reviews from recent visitors. While some are raving about the delicious and well-prepared dishes such as the Gawran Chicken Handi, others have experienced issues with the quality of food and service. The ambience is described as good, but with dim lighting and a bar present, it may not be ideal for family dining. The restaurant also seems to lack consistency when it comes to service, with some customers praising the polite servers while others have complained about slow service and unclean toilets. Overall, Bon Vivant Eastern Spice seems to have potential for a satisfying dining experience, with a varied menu catering to both non-vegetarian and vegetarian food lovers.
