18 apr 2020 eating and servier size was good. the waiting period was not. 15 minutes extra delay. the commands seem to prioritize. I asked for a few contingents first they gave me the wrong (do not be aware). when I asked for the right, I was served with rudeness, the small tubs were pushed into the carrying bag, and the bag slipped over the counter without care and courtesy. nothing is as meticulous as restless.
