4.5 stars, solely for their almond croissant. The other pastries I tried were very good too, but man oh man, if you're going to try anything from babka, it needs to be the almond croissant. Divine!. Babka Cafe from Melbourne is a cozy café, where you can have a small snack or cake with a warm coffee or a hot chocolate. Additionally, they provide you authentic Australian menus with products like bush tomatoes and finger limes. In this locale there is also an comprehensive selection of coffee and tea specialties not to forget, There are also **oven-warm breads and snacks**, complemented by a variety of both cold and hot drinks.
