My boyfriend and I stopped in for a drink whilst staying in Daylesford on the weekend. The pub is beautiful and has a lovely atmosphere. We had a local cider and local pale ale and the service was warm and friendly. We sat by the fire and it was really great. The food coming out of the kitchen looked and smelled great too. Next time we are in the area we are definitely going to stop in for lunch or dinner. [read more](#). The diner and its premises are wheelchair accessible and thus reachable with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and have something. What [Eden Evans](#) doesn't like about The Daylesford Hotel:

Never have my wife and I experienced such poor, almost bordering on aggressive, service nor the most overcooked steak. How is it possible to murder the cow after the slaughter? Will be sure to tell our friends to avoid this place. [read more](#).
