What [User](#) likes about Red Sichuan: It's a buffet but I like the way they serve it in small containers and portioned each order. You order through the iPad (I don't need to get out of my seat to get food). You can also choose bbq on top of the hotpot which is very interesting. You can choose your soup base or split the flavours. Worth revisiting again. [read more](#). The restaurant also offers the possibility to sit outside and be served in beautiful weather. What [User](#) doesn't like about Red Sichuan:

Sat there for a good 30 minutes without any food being brought to our table. Had to re-order multiple times to get our food, even after ordering with the iPad provided. They couldn't even get our re-orders right, bringing out half of what we asked for most of the time. All the meats are frozen, the waitresses are young and too busy talking to each other to serve you. They also accused us of putting something in the f... [read more](#).
