What [User](#) doesn't like about St Leonards Fish & Chips:

Well we decided to buy fish and chips at St Leonard's. The fish was over cooked when we went to the beach to eat them and the chips were also well cooked. The fish was \$7.50 per piece and was thinly cut. The chips we dry and had little salt which made the chips tasteless. The chips were so poor we fed them to the seagulls. We would suggest you forget getting anything to eat at this place. [read more](#).
