Eating is always delicious and hot. in the rule we order the butter chicken, bark meat vindaloo, cheese and garlic naan, look kebabs and papadums. the only thing I'd complain about is the last two times that we paid for the papadums, but never got them. but different from what they are great. highly recommended! What [User](#) doesn't like about Masala Indian Cuisine: terrible Goan fishery. it was like a mix between butterfly and corma sauce with a few fish pieces.
