What [User](#) likes about La Taberna Mediatica:

visited aguilas to see the castle and stumbled over this restaurant on happy cow while we were there. the choice of the local, authentic Spanish starters was really nice to see and the few young who worked on this day were very good about what was and was not vegan. we ordered a kind of local bakery that baba ganoush and olive grove had on the top, which was delicious. we also had the patatas bravas who were the best... [read more](#). At La Taberna Mediatica from Aguilas you can savor delicious [vegetarian](#) courses, in which no animal meat or fish was used, and you can enjoy here fine American meals like **Burger or Barbecue**. There are also scrumptious menus typical for Europe, Particularly with the bite-sized, *Tapas* you can't absolutely nothing wrong, because there is something for every palate.
